Next Meeting M. S. T. A.—St. Louis, Nov. 7-9, 1918

Let's make it 15,000 in State and District Associations This Year

The October Issue

This Issue of the Bulletin contains the Official Program of the Missouri State Teachers' Association to be held in St. Louis, Nov. 7-9, 1918, and information relative to the Teachers' and Pupils' Reading Circles. The next Issue will have matter relating to the St. Louis Convention.

Official Program for the St. Louis Meeting

The President, Miss Gecks, and the Department Chairmen have arranged an excellent program for the St. Louis Meeting, M. S. T. A., Nov. 7-9, 1918. The program will appeal to every teacher in the state and contains the names of many educators of prominence throughout the state and nation. The following are the speakers on the general program: **Dr. C. A. Prosser**, Director of the Federal Bureau for Vocational Education, Washington, D. C. **Dr. George D. Strayer**, Professor of Educational Administration, Teachers College, Columbia University, New York; President National Education Association, Chairman N. E. A. Committee on Emergency in Education and the Program for Re-adjustment During and After the War. **Miss Jane Addams**, Hull House, Chicago, Ill. **James A. B. Scherer**, President Throop College of Technology, Pasadena, Cal., until recently chief field agent of the Council of National Defense, now on his way to France under the auspices of Overseas Entertainment Committee of the Y. M. C. A. to stimulate the morale of the American troops by describing to the boys "over there," what is being done by their people "over here" to help back them up in their fight for freedom and democracy. **Charles H. Farnsworth**, Professor of Music and Speech, Columbia University, New York. **Dr. W. F. Gephart**, Professor of Economics and Dean of the School of Commerce and Finance, Washington University, St. Louis. **R. H. Whitebeck**, Editor of the Journal of Geography, Professor of Geography, University of Wisconsin, Madison, Wisconsin. **Miss Patty Smith Hill**, Director of Department of Kindergarten Education, Teachers College, Columbia University, New York City. **Miss Mabel Carney**, Instructor in Rural Education, Teachers College, Columbia University, New York City. **Miss Amalia M. Bengston**, Superin-

tendent of Renville County Schools, Olivia, Minnesota. **Dr. John W. Withers**, Superintendent of Instruction, St. Louis Public Schools. **Hon. Uel W. Lamkin**, State Superintendent of Public Schools, Jefferson City, Missouri. **Dr. A. Ross Hill**, President of University of Missouri, Columbia, Missouri. **R. H. Emberson**, Chairman Executive Committee, Missouri State Teachers' Association, State Club Leader of Missouri Boys' and Girls' Clubs, Columbia, Missouri. **E. L. Coburn**, Supervisor of Music, St. Louis Public Schools. **Dr. J. L. Meriam**, Professor of School Supervision, University of Missouri, Columbia, Missouri. **Dr. J. W. Hudson**, Professor of Philosophy, University of Missouri, Columbia, Missouri. **J. D. Elliff**, Director of Vocational Education for the State of Missouri, Jefferson City, Missouri. **Miss Ella V. Dobbs**, Professor of Manual Arts, University of Missouri, Chairman of the National Council of Primary Education, and of the Department of Parent-Teacher Association, Columbia, Missouri. **Mrs. Marie Turner Harvey**, of the Porter Rural School, Kirksville, Missouri.

Advanced Enrollment High

The advanced enrollment for the State and District Associations to date is running higher than in any previous year. All indications point to the largest enrollment in the history of the Association. According to present indications at least five or six hundred town schools and scores of counties will enroll practically all of their teachers. Teachers seem to be anxious to enroll this year, because they feel that, as one superintendent put it, "The Association is responsible for much of the good school legislation passed and is fighting the battles for all Missouri teachers. Every Missouri teacher should be a member and contribute to its support whether in attendance or not."

Big Booster Advance Enrollment Committee of 3,000

A big Booster Advance Enrollment Committee of 3,000 is being appointed to direct the campaign for the advance enrollment for the St. Louis meeting and the various District meetings. If every member of the committee secures only five members, the enrollment will run 15,000. And if every member should average only six members, the enrollment will run 18,000. The following are requested to serve on this committee:

The State superintendent of public schools and his assistants and others whom they may appoint; all city and town superintendents and principals of high schools, ward schools, grammar schools and village schools and others whom they may appoint; all county superintendents and any rural, grade or other teacher whom they may appoint; the presidents and deans of the faculties of all universities, colleges and normal schools in the state and others whom they may appoint; all Parent-Teacher Associations and others whom they may appoint; school board representatives; all book men.

REPORT OF FINANCE COMMITTEE, MISSOURI STATE TEACHERS' ASSOCIATION

Jefferson City, Missouri, June 1, 1918.

To the Executive Committee,

Missouri State Teachers' Association.

The Finance Committee respectfully submits the following:

The books of the Secretary-Treasurer, E. M. Carter, were audited January 5, 1918, for the period June 1, 1917, to January 1, 1918, by E. F. Ruether, who certifies their correctness. A special audit of the advertising accounts from August 1, 1915, to June 1, 1918, was made by E. L. Meng, who finds them correct. GENERAL INFORMATION.

This is the Official Program of the St. Louis Meeting of the S. T. A. Are you a member? Of course, you are going to be a member of this Convention whether you attend or not, for as a progressive teacher you cannot afford not to belong to the professional Association of your State. Send \$1.00 today to Treasurer E. M. Carter, Columbia, Missouri, and become a member.

Tell Your Friends About It. Persons receiving this program will confer a favor on the Association by extending notice of it in the newspapers and telling their friends about it.

The attendance at the state meeting should be larger this year than ever before. Topics of the greatest importance will be discussed and the meeting will afford opportunity for necessary conferences relating to our educational policy during and after the war. Superintendents, supervisors, principals, and teachers need now more than ever to keep themselves informed of the big movements in education and to lend their efforts toward the solution of the problems of the day. Come to the St. Louis meeting!

On Wednesday, November 6th, teachers are urged to come to St. Louis to visit schools. Two important department meetings will be held Wednesday evening, the meeting of the Educational Council, and that of the Kindergarten-Primary Department. See Program for further particulars.

Hess and Culbertson Trophy—The Hess & Culbertson Jewelry Company of St. Louis has presented to the Association a handsome trophy cup. The cup will be awarded permanently to the County in the State which has for two years the highest per cent of members of the Association. In determining the per cent the number of members in the county is to be divided by the number of teachers teaching in the county. What county will win this handsome trophy in 1918?

Association Trophy—A beautiful trophy cup will be presented to the county in the state having for two years the highest number of miles to the credit of its members. In computing the total number of miles multiply the number of miles (by nearest railroad from county seat to place of State meeting) by the number of members of the Association in the County. For instance, a county with eight members 200 miles distant from St. Louis would have 16,000 miles to its credit.

Certificate of Honor—A handsome Certificate of Honor will be presented to every County in the State in 1918 having a membership per cent in the Association of seventy-five per cent or above. To calculate the per cent divide the number of members of Association in the county by the number of teachers in the county. Counties which won Certificates of Honor for a membership of seventy-five per cent or above in 1917, are: Buchanan, Livingston, Nodaway, Platte, Worth, Adair, Knox, Putnam, Bates, Schuyler, Shelby, Benton, Cass, Jackson, Johnson, Lafayette, Cape Girardeau, Wayne, Christian, Lawrence, Polk, Dade, Holt, Daviess, Scott, Caldwell, Clay, Clinton, Atchison, Ray, Carroll, Butler, Greene.

Special time and attention has been given to **Rural School Problems** and to the department meetings. The Chairmen of all departments have put forth great effort to make the program of each sectional meeting an interesting and inspiring one.

Headquarters—Planters Hotel, Fourth and Pine Streets, has been selected as headquarters of the Association. Teachers may enroll here at any time. To reach the Planters Hotel from Union Station take any car going east on Market Street and get off at Fourth Street and walk one block north.

Hotel Rates: Planters Hotel, Headquarters, 4th and Pine: room without bath for one \$1.50, for two \$2.00; room with bath for one \$2.00, for three or more \$1.00 each. All of the above hotels but the Usona are on European plan, that is, the prices quoted are for rooms only. There are other good hotels. Cafes and dining rooms are run in connection with the hotels. There are hundreds of restaurants in St. Louis where meals can be had at reasonable rates. Requests for reservations should be made by writing direct to the hotels. The Committee on Information and Accommodation urges all visiting teachers to make reservations as soon as possible. The Conventions Bureau, Commercial Building, has a large list of boarding houses to recommend to those who prefer them to hotels. Mr. Geo. N. Martin, Chairman of the Committee on Information and Accommodation will have charge of the list at the information booth, Planters Hotel. The committee recommends reservation in good hotels to persons who have no friends in St. Louis.

The Committee on Information and Accommodation will have their headquarters at the information booth, Planters Hotel. An information booth will also be maintained at Union Station. **Look for Badges.**

Places of Enrollment—Enroll at the Planters Hotel or at meeting places. All teachers are urged to become members of the Association.

The Educational Council will meet on Wednesday evening, November 6 at eight o'clock at the Planters Hotel, 4th and Pine streets. The report of the Committee on Investigation and Study of the Rural Schools of Missouri will be discussed. Dr. George D. Strayer, president of the National Education Association, will speak on "The Emergency in Education and the Program

for Readjustment During and After the War." All teachers and friends of education are cordially invited to attend this meeting.

The State Committee appointed to co-operate with the N. E. A. Commission on the Emergency in Education and the program for Readjustment During and After the War will meet with Dr. George D. Strayer, Chairman of the N. E. A. Commission on the Emergency in Education, Wednesday afternoon at 5 p. m. in Room B, Planters Hotel.

The National Council of Primary Education will meet at a luncheon at Hotel Statler, Washington Avenue and Ninth Street, Thursday, at 12 o'clock noon. Miss Patty Smith Hill, Columbia University, New York, will be the guest of honor and will speak on "The Free Activity Period in Kindergarten and Primary." A cordial invitation is extended to all kindergarten and primary teachers. Please make reservations in advance through Miss M. J. Brady, Board of Education, St. Louis. Tickets 75 cents.

The St. Louis Kindergartners extend to the visiting Kindergarten and primary teachers of the Missouri State Teachers' Association, an invitation to attend an informal social gathering to be held at the Bryan-Mullanphy School, Friday afternoon, November 8th, from four to half-past five o'clock. To reach the Bryan-Mullanphy School take any car going west and transfer to Vandeventer line going south to Shaw Ave.

A Dinner and Round Table Discussion for Heads of Department of Household Economics and College Leaders under the Federal Food Administration will be given Friday, November 8, 6:00 p. m. at the Planters Hotel. A closer union and a definite plan for securing best results in conservation will be discussed. A specialist under the Food Administration will be asked to make the talk of the evening. Price of tickets \$1.50 per plate. Get tickets at Hotel Office.

A dinner will be served for the Music Teachers and their friends at the Union M. E. Church, 3610 Delmar Avenue, at six o'clock, Thursday evening, November 7th. Please make reservations in advance through Miss M. Ethel Hudson, 4931 Fountain Avenue, St. Louis. Tickets 75 cents.

Lectures on the Flag.—Assistant Superintendent Geo. Platt Knox will present in a story talk "The Birth of Our Flag," using in an electric projection lantern some 60 or 70 lantern slide views made for this purpose from photographs, including the ancient manor house of the Washington Family in England with the family crest of the Stars and Stripes, the variety of colonial flags leading up to the first official standard of the United States, and including views of the places where the flag first flew over the sea and the land forces,—Portsmouth Harbor, the Battlefield of Oriskany, and the scene of the Surrender at Saratoga. Many of these slides are beautifully colored and the entire set is shown as a courtesy to the teachers by Mr. Knox. Thursday, November 7, 4:30-5:30 P. M., Central High School Auditorium, Grand Ave. and Windsor Place.

WITH OUR FLAG OVERSEAS

Assistant Superintendent Knox will show, as a courtesy to the teachers, a large number of especially beautiful lantern slides showing the welcome given our troops in London, in Belgium, and in Paris, together with views of our boys embarking and disembarking on their way to the battlefields of France, scenes behind the lines, and glimpses of camp life.

This unique set of lantern slides has been especially prepared under Mr. Knox's direction and includes many views never before shown outside of the laboratory where they were made by a new color process. An exceptional opportunity is afforded for the teachers to realize the spiritual significance of the part our country is taking in the present world struggle. Friday, November 8, 4:30-5:30 p. m., Franklin School Auditorium, 19th and Morgan Sts.

For the Teachers' Reading Circle this year the Board has adopted four splendid books: Fundamentals in Elementary Education, History of Missouri, Language Work in Elementary Schools, and World Patriots. Each will fill a distinct field and will be of much value to teachers. The Reading Circle course will consist of at least two books. Any two books may be selected. A review of each of the books follows:

Fundamentals in Elementary Education by Claude A. Phillips, Head of the Department of Education, and Dean of the Faculty State Normal School, Warrensburg, Missouri. List \$1.25. R. C. Price, \$1.10.

Young teachers often wish for a practical book dealing with all the larger phases of school work—a kind of manual of procedure to be referred to as an authority on any problem of method or administration. Phillips' Fundamentals is such a book. It deals with such practical things as heating, ventilating, and lighting the school room, making programs, keeping records, laying out play-grounds, teaching the various subjects, organizing the course of study, giving vocational and social emphasis to the work, applying psychology, and doing many other useful things which are required of the modern teacher. It epitomizes modern education practice and applies the standard method of procedure and evaluation to every problem likely to be encountered by the teacher of rural or city school. It is a book not only for teachers of little experience, but also for those of years of service who wish to keep abreast of the times.

History of Missouri by E. M. Violette, Professor of History, State Normal School, Kirksville, Missouri. List \$1.60. R. C. Price, \$1.45.

The History of Missouri is of unusual interest, but unfortunately so little of it has been published in suitable style for school use and for popular reading that the average Missourian is not very well acquainted with it. The year 1921 will mark the one hundredth anniversary of the statehood of Missouri. Plans are already well under way for the proper observance of this

event. The schools will be called upon to assist in this celebration, and the public in general will want to be so familiar with our growth and aspirations that it, too, can properly appreciate this event. For these reasons Professor Violette has written this excellent history and the Reading Circle Board has adopted it.

The author, in his treatment of the subject, rises above the mere chronologic summary of local episodes in the history of the state, so common in state histories, and gives Missouri its setting in the history of the commonwealth of states. Without this there can be no proper appreciation of the part she played in the events of the nation. This plan also admits such reference to bits of Missouri history as to make the book interesting and valuable from both the local and national point of view.

Language Work in Elementary Schools by M. A. Leiper, Professor of English Grammar in the Western Kentucky State Normal School. 12 mo., cloth, ix+333 pages, illustrated, \$1.25. R. C. Price, \$1.10.

Every approved type of language work is constructively discussed with special reference to its value, its time of presentation, its object, and the selection of teaching material to illustrate it. The teacher who shares in the more recent tendencies of language teaching will find that this volume clears up many obscure points formerly obstacles to the realization of her aims. The author has placed some emphasis upon oral language work and the proper balance to be sought between it and written expression. Much of his space is devoted to language work in rural schools, with discussion of its peculiar problems. Careful and constant distinction has been made between original and imitative work.

The book offers a rich harvest of suggestion and inspiration for teachers, as well as an abundance of language-work material, poems, selections for memorizing, and several original and adapted dramatizations which serve excellently as models. It has been adopted by the state teachers' reading circles of fourteen states.

World Patriots by John T. M. Johnston. List Price \$1.50. R. C. Price \$1.00.

This volume has for its central purpose the awakening of intelligent patriotism. The author has adopted the biographical and psychographical method in presenting his story of the growth of modern nations and the life of the central figures about whom gravitate the momentous events which today are being reviewed in every community in the civilized world.

It has long been recognized by educators and leaders of thought that biographical history is at once the most fascinating and the most useful branch of knowledge. Nothing is so calculated to stir the imagination, fire the ambition, and inspire the heart with patriotic fervor as the contemplation of the deeds of the heroes of the past. And nothing gives us a better insight into the underlying causes of the present world conflict, than the biographies of the statesmen of other times of national crises.

The history of any great event may be epitomized in the life of a single man. As Pitt stands for the colonial greatness of England, so Napoleon typifies the modern spirit of France. The unification of modern Italy is told in the life of Cavour. Japanese supremacy in the Pacific is the creation of Ito. Modern German history begins with Bismarck. The transition of Russia from an Asiatic to a European state was accomplished by Peter the Great. The story of South America's struggle for freedom, is the story of Simon Bolivar. The supreme event in the history of Sweden was the birth of Gustavus Adolphus. The realization of American independence is most vividly told in the life of Washington, and the crisis of the Civil War is mirrored in the story of Abraham Lincoln.

In *World Patriots*, Dr. Johnston has so presented the lives of these men as to inspire in every reader a world division and a radiating patriotism.

The *Brooklyn Eagle* in a review of the book says, "A careful study of the figures of this volume gives a liberal education in history."

Our times demand the study of this subject, which so intimately and vitally concerns American citizenship of today.

TEACHERS' READING CIRCLE CENTERS.

The county should be divided into Reading Circle centers or divisions so that each center will contain not less than five nor more than twenty teachers. A good time to organize the centers will be now. A competent leader should be selected in accordance with the plans of the county superintendent for each Reading Circle center. In order to get credit for Reading Circle work, at least nine meetings must be held in addition to the last meeting at which the examination is given. A minimum of sixty minutes for each lesson in each book must be spent, or a total of 120 minutes must be spent on both books at each meeting. It is especially recommended that the first Reading Circle meeting be held the first Saturday after the schools begin in September and that meetings be held every two weeks thereafter until the nine meetings shall have been held. In this way the Reading Circle work can be completed before the beginning of the bad weather in January.

CREDIT FOR READING CIRCLE WORK.

State Superintendent Lamkin makes the following recommendations concerning secondary credit for reading circle work:

1. One-fourth unit (3-4 term unit) secondary credit will be given on each book provided that two of the four books must be studied before credit is received and provided further that the total credit given in any one year shall not exceed three-fourths secondary unit (2 1-4 term units).

2. It is recommended that two books be studied simultaneously.

3. Students who are in school will not be permitted to take the reading circle work.

4. Reading circle work for secondary credit must be done in a reading circle center composed of not less than five nor more than twenty teachers including the leader.

5. Each reading circle center must hold not fewer than nine meetings.

6. A maximum of 60 minutes in each book must be spent at each meeting of the reading circle center or a total of 120 minutes must be spent on the books at each meeting. (A total of 540 minutes must be spent on each book or 1080 minutes on both books exclusive of the time required for each examination.)

7. The final examination for reading circle work will be given by the county superintendent at the time and place of the March examinations for teachers. The examination questions are to be furnished and the papers graded by the institution in which credit is desired.

8. Competent leaders must be appointed by the county superintendent.

9. It is recommended that the first reading circle center meeting be held the first Saturday after the schools begin in September and that meetings be held every two weeks thereafter until the nine meetings shall have been held. In this way the reading circle work can be completed before the beginning of the bad weather in January or February.

TEACHERS' READING CIRCLE PRIZES.

In order to encourage the sale of Teachers' Reading Circle books the Board has offered the following prizes:

On the total sale of books adopted for Teachers' Reading Circle 1918-19 one prize of a life membership in the State Teachers' Association will be awarded to the County Superintendent making the largest returns on the condition that the number of teachers in the county be considered. (A county with 100 teachers must do twice the business of the 50 teacher county to be on equal terms). Another life membership will be given to the County Superintendent who sells the largest number of Teachers' Reading Circle books without regard to the number of teachers in the county.

PUPILS' READING CIRCLE

GENERAL STATEMENT.

The books added to the Pupils' Reading Circle list this year are a splendid group and makes a total of more than 400 volumes. The Pupils' Reading Circle list includes the books of the State Library List as well as a number of other excellent books. These books are handled on a cooperative basis and only a small profit is made. All books are sent by parcels post prepaid. Write to E. M. Carter, Pupils' Reading Circle, Columbia, Missouri, for pink order blanks giving prices and names of books.

HOW TO MAKE PUPILS' READING CIRCLE ORDERS.

Please write your name, post office address, county and district so the Secretary can read them. Put in the money. (books not sold on credit). All orders, large or small, sent by parcels post, prepaid. If your order is for less than \$3.00 add 10c extra. If your order fails to reach you within a week write a postal card asking the cause. As a rule you will get the books promptly as a supply of these books is carried in stock by the Board. Please report any mistakes at once. Teachers and School Boards ordering books are requested to keep a list of the names of all books ordered. You will then be able to check up the books received and in that way tell whether your order is filled completely and accurately. In ordering books be sure to give the number and name of the books and the number of copies wanted.

Of course you won't overlook the educational value of the Wood Crafts. There is nothing one comes in contact with so much and constantly in the home, the shop, the school and everywhere as wood and wood products.

Next to sculpture and painting, perhaps ahead of either, the wood craft arts hold the important place in the cultural development of the human race. The line of highest refinement all down the ages can be traced by this wonderful art in chair, bric-a-brac, and furniture products of all kinds.

In the wood crafts, therefore, your boys will acquire a broad and liberal knowledge of what have been the worthy aspirations of the human race from the dawn of history to the present day. And that is education.

MISSOURI MINE

(Tune: Maryland, My Maryland)

I love thy hills, thy woods, thy streams,
Missouri mine, Missouri mine,
Thy fields of grain, where plenty gleams,
Missouri mine, Missouri mine,
Thy sylvan shades, thy sunny dells,
Thy mountains where the sky-line swells,
And every tale thy history tells,
Missouri mine, Missouri mine.

I love thy rivers' stately roll,
Missouri mine, Missouri mine,
Thy mines of lead and zinc and coal,
Missouri mine, Missouri mine,
I love thy factories, shops and mills,
Thy busy marts, thy rippling rills,
Thy myriad towns, thy quiet hills,
Missouri mine, Missouri mine.

Thy homes where love and thrift abide,
Missouri mine, Missouri mine,
Thy schools and churches far and wide,
Missouri mine, Missouri mine,
I love thy literature and song,
Thy love of right, thy hate of wrong,
And all thy people brave and strong,
Missouri mine, Missouri mine.
